MINNEAPOLIS (May 3, 2013) – *Mpls.St.Paul Magazine* is proud to announce the winners of the 10th annual RAVE Awards. For this residential architectural awards program, 83 submissions from Minnesota architects within 7 categories were evaluated by an esteemed panel of judges. On April 11, the four judges-Kelly Ryan Kegans, Senior Deputy Editor, Home Design, *Better Homes and Gardens Magazine;* Jason Oliver Nixon Global Lifestyle Editor, *Delta Sky Magazine;* Andrew Porth, AIA, CORA, LEED, Porth Architects; Lisa Hsieh, Assistant Professor, University of Minnesota School of Architecture- met and scored each nominee on a numerical scale in the following areas: how the project created a sense of place, how the project responded to its surrounding context, how the project reflected its owner's vision of home, and any distinguishing characteristics of the project.

On Thursday, *Mpls.St.Paul Magazine* announced the winners at a celebratory party at the Room & Board showroom in Edina. Over 100 guests attended to find out the winners and to celebrate the wealth of great architecture in Minnesota.
